Outdoor Rugs Only: Bring color, life & fun outside!

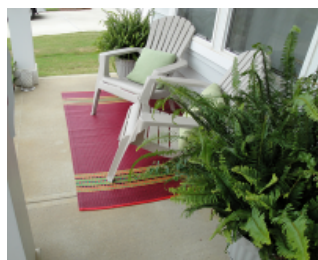

Posted by ThriftyGrl

o u t d o o r RUGS ONLY

Recently I started to think about how I could spruce up the outside of my house; specifically, my front porch. Outdoor rugs immediately came to mind; I had heard about them in the past but had never really given them any thought. Until now. Why not use an all-weather rug to spruce up the place and add a punch of color?

I came across **Outdoor Rugs Only**, a North Carolina based company that specializes in helping you pick out the perfect rug to spruce up your outdoor space. They graciously sent me a 4x6 **Serape Dark Red** to try out. I was worried that it would mold, fade, or wear in the outdoor weather. I was also worried how it would look...

I was so excited when I received and opened my package from Outdoor Rugs - the Serape Dark Red Rug has beautiful, bold colors and the size was *absolutely* perfect. Looking to save money? You can view a list of their specials [here](#). Also, if you spend over \$100 you can get a 25% discount with code **25OFFRUG!**

Want to try a rug from Outdoor Rugs Only for FREE? One lucky ThriftyGrl will have the chance to! Outdoor Rugs Only has graciously offered to give one lucky reader a FREE Oriental Turkish Blue rug, which is one of their most popular rugs! (The picture to the left is great and all but simply *does not* do this rug justice! It was featured in Country Living Magazine - click [here](#) to see their beautiful pictures!) *Note: This rug is worth \$74.50!
